# COCKTAILS

## Mr Green.....20

Our Mr Green is fists first, questions later. That's what happens when you combine absinthe, white and dark rum with grapefruit, lime and pineapple juice. A 100% knockout.

## Mr Biggs.....17

Some say we like this blend of Frangelico, schnapps, egg white, cinnamon and apple. Some say we like it too much. Reminds us of warm apple pie.

## Mr Bolt.....20

We love espresso martinis. We love salted caramel. I think you see where we're running with this.

## The Intallexual.....18

Our well educated blend of Tanqueray, Sloe gin, rosemary, lemon and cranberry shows why nothing else matters, as long as you've got smarts.

## The Krakenada!.....20

Arise from the depths with one of our favourite friends, the Krakenada! Its combination of Kraken, Malibu, passionfruit, pineapple & cream will undoubtedly sucker you in. For those who are not into yoga.

## Trouble in Paradise.....20

There is rarely trouble in our slice of paradise, particularly when you have this mix of Bulleit, Campari, honey, basil, grapefruit & lemon. We'd say it's less trouble, more paradise.

## A Quiet Night In.....20

When you're imbibing our <insert mix synonym here> of gin, apricot brandy & lemon you'll definitely be ready for a quiet night in, or you know, a rowdy night out.

## The Royal Mojito.....20

Choose your own mintventure with our Royal Mojito. You pick between clean & dirty, then from classic, strawberry, passionfruit, mango or watermelon.

## The Classics

Aperol Spritz / Martini (Gin or Vodka) / Margarita / Cosmopolitan / French 75 / Caprioska / Long Island / Sours / Bloody Mary / Old Fashioned / Manhattan / Caipirinha / Pina Colada / Strawberry Daiquiri / Negroni / Espresso Martini / Toblerone

## Royal Mocktails.....10
